Current Strength of Students: 1255

Students' Motivational Session:

Conducted on: 24th January, 2023

Timing: 12:30 pm to 1:30 pm
Resource Person: Mr. Mohsin Bhatti
Grade: IX, X, XI, XII
Topic: Memory Improvement

Aim of Activity:

To enhance students learning and memorizing skills through motivational strategies.

Purpose of activity:

On 24th Jan, 2023 student motivational session was conducted about “Memory Improvement”. It was conducted by “Mr. Mohsin Bhatti”. He is an international mind and memory trainer as well as founder of mind workshop. He introduced himself and started the session with a question, and the question was “how many of you forget what you have to do?”

He discussed the importance of creative thinking and how to visualize the topic first and then how to memorize the topic. He discussed the importance of memorizing anything in the form of story. He told that memory is related to remember and recall. He further discussed the language of the mind and the five factors to trained mind in an effective and constructive way. He conducted an activity to clear the vision of the students who participated in the activity in very energetic way. He focused that being a student, everyone should set a target/goal in his/her mind.

This was very interesting and effective workshop. All the students were geared up to learn new and creative things. All the students thanked Mr. Moshin Bhatti who conducted such an interesting and fruitful motivational session.
